Mrs Carl E. Horton
Rt 4 Box 289
Mocksville, N.C. 27028

Dear Mrs. Horton:

I received your letter from my father, Louis Grabensteder, concerning the KAMMER genealogy. I have been working on it for the past 5 years along with other family lines. Your line is one that I have not had much success with - mainly because I didn't know anyone to contact. So, I'm delighted to hear from you!

You say you have only a few bits of information. If you would send me copies of what you do have I can fit it in with what I have and see what I need to send you. If you have birth, marriage or death certificates I would appreciate having a copy for my files. Also, any information you have about family origins which has been passed down through the generations - this is helpful since it sometimes leads to new ideas and sources.

Agnes Conrad's nephew, Chris Conrad, is coming through here next week on vacation - to talk about the KAMMER genealogy! Your letter was timely. He said there is a Kammer Family Reunion in Cincinnati in August which he plans to attend. I have no more information on it but he might. His address is: Mr. Chris A. Conrad
9668 Timbermill Court
Cincinnati 45231

That reunion has been held for a good many years since my grandmother attended it years ago.

I have very little time to work on genealogy now since I have daughters aged 6 & 9 and am very involved with their activities. However, I am still collecting & exchanging information as time permits - it's just that I am sometimes slow in answering letters. I look forward to receiving your information and sharing mine with you.

Looking forward to hearing from you...
